Office of Legislative Counsel

Monday - 23 March 1953

25X1C

2. I informed Mr. Hefner, of Sen. Wiley's office, that I had seen his friend [] and that there was nothing which CIA could accomplish for him. I pointed out, however, that I had referred him to the Legislative Liaison office of the Department of the Army which had control over the unit^{for} which [] formerly worked as an alien and that [] had formerly talked at length about his problems with a senior official of this Agency.
